Benny Bully's® Training Information

I'm Shelagh Begg, trainer and animal behaviour specialist with Dizine Canine. I've put together a collection of fun tricks to teach your dog while using Benny Bully's® all natural treats. I use Benny Bully's® regularly for positive re-enforcement training and reward.

Trick Technique No. 2 Take a Bow:

Have your dog stand in front of you. Hold a **Benny Bully's** treat in your hand at your dog's nose. Gently press into your dog's nose and downward between his front legs while giving the verbal cue "take a bow". As soon as your dog's elbows touch the floor, release the **Benny Bully's** treat and move your hand away.
